712 Langdon St., Madison, Wis.

Sept. 17, 1891,

My dear Dr. Watson:-

Please send me a copy of Lesqueroux & James' Manual with price of same -

College work has begun and for a week or two I shall be swamped with students, but shall soon be at the F. F. & G. again.

Yours faithfully, C. R. Barnes

Mrs. B. is much improved.

Barnes
